you're never too
young or too old for
a game of barefoot
bowls."*

CAPALABA SPORTS CLUB BAREFOOT BOWLS

Capalaba Sports Club has 3 well maintained greens that are available for barefoot bowlers on the following days/times:

Monday	10am to 9pm
Tuesday	4.30pm to 9pm
Wednesday	10am to 9pm
Thursday	2pm to 9pm
Friday	10am to 9pm
Saturday	From 4.30pm
Sunday	10am to 9pm

Please note the bowling greens close early in winter.

Please call 33903011 for availability as we have many competitions throughout the year and the greens are sometimes full. Bookings for barefoot bowls is essential.

There is ample seating around the greens as well as shade cloths.

A fully serviced bar and toilet facilities are conveniently located just off the greens.

We have a range of hot and cold platters as well as a BBQ menu (minimum 15 guests) available for purchase (these must be ordered and paid for within 7 days of your event). Strictly no BYO food or beverage.

We recommend a wet weather backup plan when making a barefoot bowls booking.

Children are welcome to play bowls as we have lighter bowls for them, however, they must be supervised at all times.

BAREFOOT BOWLS \$10PP

This includes green hire, equipment hire and instruction on how to play

CAPALABA SPORTS CLUB

Rules when bowling

No heels or studs. Only bare feet , socks or smooth flat soled shoes are allowed.

No sitting on the bank with your feet in the ditch (the perimeter where the sand is).

No eating or drinking on the green. Eating and drinking can take place on the seating around the greens.

Strictly no BYO food or beverages.

Smoking and eating areas must be observed at all times.

Have fun!

THE BASICS OF BOWLS...

- The large black ball is a bowl. Bowls are weighted so that they don't roll in a straight line but in a curve. Each bowl has a large and small icon on each side. Always keep the small icon on the inside when delivering a bowl.
- The small white ball is the jack.
- Our greens are divided into 7 rinks (or lanes) and we recommend a maximum of 2 teams of 4 people per rink.
- You send the jack down to the opposite end of the rink. Once its position is set the aim is to get as many bowls as close to the jack as possible.
- Once everyone has bowled a score is determined. The person whose bowl/s is closest to the jack gets the point/s with multiple points awarded if there are multiple bowls closest to the jack.
- You can set a time limit or number of 'ends' (how many times you bowl up and back).

Give it a go, it's easy to play and fun to learn.
